

Research Position

Project: NORTE-01-0145-FEDER-000012, Structured Programme on Bioengineering Therapies for Infectious Diseases and Tissue Regeneration

INEB/i3S is looking for **1 (one) Researcher** (Assistant Researcher level, without exclusivity) in the scope of the Project “Structured Programme on Bioengineering Therapies for Infectious Diseases and Tissue Regeneration, NORTE-01-0145-FEDER-000012” in the frame of “Norte2020 - Programa Operacional Regional do Norte”, and with the following reference:

i3S.HOST RL2 IASE 01 2017

The candidate should hold a PhD in Bioengineering, Biomedical Sciences, or related areas, for less than 10 years, with relevant experience in the fields of biomaterials, inflammation and tissue regeneration (Host Interaction line).

The work will be developed in the aim of the research line *Modulation of Inflammation for New Therapies*, with in the Microenvironments for New Therapies group. The work in our group is centred in the relationship between inflammation/immune responses and tissue regeneration, particularly in spine and osteoarticular applications.

The selected candidate will benefit from an excellent research environment and have access to state of the art facilities.

The Investigator contract will be *termo incerto*, for the time necessary to carry out the tasks envisaged.

Salaries are graded by the Portuguese Scientific Research Career, and the contract is regulated by the Portuguese Labor Law and by the decree-law 57/2016 from August 29, alter by the Law 57/2017 July 19.

Selection method: the candidates will be selected based on their CV evaluation and relevant expertise. If necessary the jury can call to interview the 3 candidates with the best classifications. CV evaluation, expertise in relevant research areas and interview will account for 30%, 20% and 50% of the final classification, respectively. In the absence of interview CV will account for 60%, and expertise for 40%, of final classification.

Jury: Mário Barbosa, Raquel Gonçalves and Susana Santos

Applications are open from September 21st to October 8th, 2017, and contract is expected to start in November 1st 2017.

To apply for the Research Position **i3S.HOST_RL2_IASE_01_2017** candidates must submit online the following documents: a) Complete CV; b) Letter of Motivation; c) Short description of research achievements (max. 1 page); d) Copy of the PhD degree certificate and e) Two reference letters, at:

http://portal.i3s.up.pt/gestaocandidaturasineb/index.php?codigo=i3S.HOST_RL2_IASE_01_2017

The ranking list of candidates will be published at INEB website, and the selected candidate will be notified by email.
